

# Prohibited Countries by Issuer

## Peoples Trust Company, CAD (\$)

As a program manager, Onbe works closely with our financial institution partners to ensure that all program stakeholders manage risk and maintain compliance with global banking regulations. Identifying geographic locations that pose a higher risk for issuance is an essential part of a financial institution’s compliance program. Peoples Trust Company prohibits spend and issuance of CAD payments in the countries listed below. Please update your payment offering to match this list. All programs are subject to issuer approval.
